# A NOTE FROM OUR PRESIDENT/CEO

No one could have predicted the year that we all faced in 2020! For so many businesses, churches, and ministries, we all wondered how it would play out over the next few months. Those months have now become a full year. Yet, our entire global team discovered new ways to improve and grow our global impact. You will see in this report how we learned together what it meant to go virtual and Livestream our in-person events, and see the good and gracious hand of God guide and provide for the ministry. Our East Africa team was able to be even more creative as we launched two different Livestream cohorts with amazing leaders as they gathered weekly for further church planting training.

Due to the harsh situations across Africa and S. Asia, we were able to help provide basic food supplies and safety items for many families, churches, and communities who desperately needed some assistance. We asked God to take our little and make it much for the kingdom! And, wow, did God ever do that. One especially touching story is from a man in S. Asia who was so moved by our love that he donated a plot of land for a future new church!

There is so much more to tell you but please go ahead and take a peek at all that God has done this past year and see what we are trusting Him for in '21 and beyond! We thank you for your faithful prayers and generous giving that make all of this possible. Please join us again this year as we seek, "A Church for Every Child!"

With deep appreciation,

*Dave Meyer*

# THE PANDEMIC PIVOT

**We converted our in person events to a virtual event, raising over \$60,000 as a result of our one evening together! You can still watch the Livestream event online at [ZimZamglobal.org](https://ZimZamglobal.org).**

**We expanded our global trainings virtually as we saw more leaders equipped in a new way with many never having the opportunity to be equipped online.**

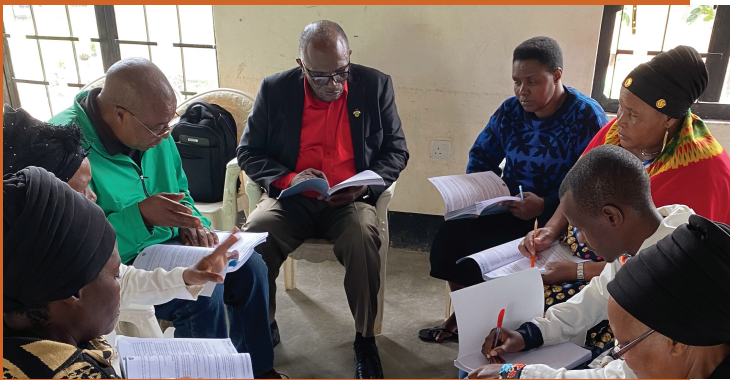

**Due to the shortages globally from the pandemic, we were able to provide some basic food and safety items across Kenya, East Africa, and S. Asia. God provided through many of our ministry friends and partners for which we are deeply grateful!**

**The most strategic thing we are accomplishing through this difficult year is our board of directors meeting monthly online for prayer and our global teams praying weekly together. Prayer is the key to our global impact!**

# 2020 OVERVIEW

“ Thank you for  
your prayers and  
partnership! ”

- ✓ In-person church planting training across Tanzania, East Africa in Feb. and March.
- ✓ Kenya trainers meeting for further encouragement and training.
- ✓ Live stream training events and church planting trainings.
- ✓ Our global team updated our curriculum and brought it to a more impactful format.
- ✓ Families with disabilities in Tanzania were provided goats to help increase their health and improvement.
- ✓ Wheelchairs are being provided for those with significant disabilities that allow them to gain respect, confidence, and enjoyment as part of the family of God.

# THE FUTURE IS OURS

## 2021-2022 GOALS

### EXPANSION INTO

East Africa

### OPENING OF

West Africa

### EXPANSION FURTHER INTO

South Asia

### OPENING OF

Latin America

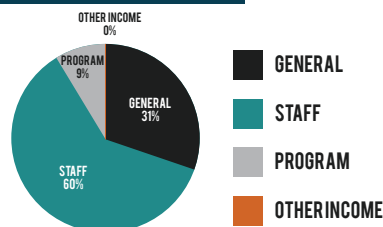

The opportunity before us for this year is hopeful and full of new surprises and challenges. We have plans for more Livestream and in-country trainings, including a key Kenya initiative which is to have a presence in every one of the 47 counties throughout the country. This will be our most ambitious plan in the country we have ever trusted God for through our years of ministry in this great country. Our vision is the driver which could help us train in 15 countries, help to train an additional 1625 leaders, that could start nearly 800 new churches, that could be a part of discipling over 160,000 new children! We are trusting the Lord for an additional \$150,000 to help make this happen. We need your prayers and partnership.
